

'TAWBA WALK bella love presents MUSIC & ARTS FESTIVAL

vendor application

Saturday, May 17th 2014 from 2:00 – 8:00pm

The 'Tawba Walk Music & Arts Festival is quickly becoming a staple for the arts movement on the rise here in Lake Norman. Now on its seventh run, this event has captured the attention of artists, businesses, residents and press throughout much of Greater Charlotte. The event will feature over 50 local artisans, the area's top performing groups, food trucks, local micro breweries, special performances, live artwork, area business specials and so much more...

We have obtained an alcohol permit for the mill which will allow for attendees to walk around the parking lot with their beverages. Electricity is very limited so please plan accordingly. There is limited access so if you absolutely need it, there is an extra \$10 fee for this service. Please, bring an extension cord with you to the event.

Vendor spaces are 10x10 and exhibitors are responsible for providing their own tents, tables, chairs, etc. Spaces are limited and a \$40 application fee is required upon acceptance. The main criterion for acceptance is that the artist or business be **LOCAL**. For us, this means having originated within the Greater Charlotte area, or at least within an hour radius. We do not accept independent reps of national brands. Please submit your application before **FRIDAY, MAY 9TH**. Payment is due upon acceptance.
